

HERDADE BARRANCO DO VALE RED BLEND RESERVE 2021

Type: Red Wine
Grape Variety: Aragonez e Castelão
Region: Algarve
Soils: Sandy Clay and Schist
Year: 2021

Alcohol Content: 13,5 %

Total Acidity: 4,75 g/L

Volatile Acidity: 0,63 g/L

Residual Sugar: 0,6 g/L

pH: 3,83

TASTE NOTE:

Colour: Ruby red coloured wine.

Made from the best Castelão and Aragonez grapes, it has an aroma of ripe red berries with hints of spices, with a slight presence of wood contributing to an aromatically rich wine. On the palate it's soft and enveloping, with good structure and engaging tannins. The finish is long, fresh and complex, reflecting the terroir of our estate.

Winemaking Technology: Manual harvesting for 12kg boxes in order to preserve the full quality of the grapes.

Slight pre-fermentation maceration for greater extraction.

Fermentation at controlled temperature

Aged for 18 months before bottling
